In speaking to your office on Wednesday, March 26, 2008 they informed me that you do not prosecute companies for fraud and embezzlement of independent contractors/ small businessmen that I would need a lawyer to handle that.

However, I believe that MPC trucking individualized me in the letters that they used to sell the Workman's Compensation Dated 1/7/91, 1/30/91 and 2/15/91. The letter of 1/30/91 is addressed to C. Lake not like the other letters 1/7/91 and 2/15/91 which are addressed to owner-operators. .

**As you can see I never signed these letters!** J Kot Assistant General Manager of MPC Trucking told me that he started taking the money out of my pay (even though I never signed these letters) for Workman's Compensation because I leased a truck from MPC Trucking and in return leased it back to MPC Trucking and they dispatched me therefore, MPC Trucking considered me an employee and I had to be covered by Workman's Compensation.

If you look at my invoices you will see were J Kot did the math, subtracting the Workman's Compensation from my pay and then he would initial it. Here are some of the invoices I am referring to that are on my website.

I will start scanning all the invoices and making them into PDF's so I can send you a disk or put them on the web so you can retrieve them. This will take a little time because there are about two years worth.

This company took money for an insurance that they knew would not pay in case of injury!

Hear is my evidence of fraud and embezzlement.

1. The company sold us Workman's Compensation Dated 1/7/91, 1/30/91 and 2/15/91. Please **Read these letters carefully. These letters were never allowed in the Pennsylvania Workman's Compensation Court by order of the judge.**

Letter dated 1/7/91-

Letter dated 1/30/91 –

Letter dated 2/15/91 –

2. Then I was hurt on the job; The medical bill that was paid with miscellaneous insurance under the pretence of Workman's Compensation insurance. **showing Intent to commit fraud The medical bill was never allowed in the Pennsylvania Workman's Compensation Court.**

3. On April 6, 1992, I suffered from an exposure to an unknown substance while unloading a trailer at C&S Grocery Warehouse in Battleboro, Vermont.
4. After filing Workmen's Compensation in Pennsylvania, I received this letter from the State Workmen's Insurance Fund **I believe this letter shows embezzlement. But, this letter was never allowed in the Pennsylvania Workman's Compensation Court.**

5. Shortly after, I received a copy of a letter addressed to the judge of the Workmen's Compensation Court from J. Kot, Assistant General Manager of MPC Trucking. This letter contradicts the statements in the letters **Dated 1/7/91, 1/30/91 and 2/15/91** selling me the Workman's Compensation insurance. This I believe shows **Intent to Defraud** the independent contractors/ small businessmen in six states. Please Read this letter carefully.  
<http://www.comfortncolor.com/HTML/OSHA-Courts/J-Kot3-7-1995.htm>
6. The decision from the Judge in the Pennsylvania Workman's Compensation Court, clearly stating that the company was unable to insure independent contractors as stated in the Workman's Compensation insurance letters shown above, without saying it, **showing fraud.**

7. My first judge in New York was Judge Connor, in the decision of January 10, 2001 (<http://www.comfortncolor.com/HTML/Exhibit%20A.pdf>), Judge Connor said that he considered the paperwork (on the last page of the decision) that I had sent him. Which is the above paperwork. If you look at the paperwork, it clearly shows that the company embezzled and defrauded these small businesses in six states.

I do not want you to help me with my personal injury case. I hope this information makes this very clear.

What I want you to do is investigate and prosecute this company for fraud and embezzlement.

I also spoke to Bill, from Assemblymen Peter Lopez's office and he thought that this was considered a scam.

The best way to contact me is by e-mail [considerthis@verizon.net](mailto:considerthis@verizon.net) or [poisonpage@verizon.net](mailto:poisonpage@verizon.net)

Thank you for your time.
